

Publication Licensing Agreement

This Publication Licensing Agreement ("Agreement") is entered into between Journal of Engineering Innovation and Global Impact (JEIGI) ("Journal") and the corresponding author on behalf of all co-authors ("Author").

1. Copyright Ownership

The Author retains full copyright ownership of the submitted and accepted manuscript. The Author confirms that the work is original and that all co-authors have agreed to its submission and publication.

2. Grant of Publishing Rights

The Author grants the Journal a non-exclusive, worldwide, perpetual license to:

- Publish, reproduce, distribute, display, and archive the article in all media and formats;
- Identify itself as the original publisher of the article;
- Include the article in indexing, abstracting, archiving, and database services;
- Permit third parties to use the article in accordance with the Creative Commons Attribution License (CC BY 4.0).

3. Open Access License

Upon publication, the article shall be made available under the Creative Commons Attribution 4.0 International License (CC BY 4.0).

Under this license, anyone may:

- Copy and redistribute the material in any medium or format;
- Remix, transform, and build upon the material for any purpose, including commercial purposes;

provided that appropriate credit is given to the Author(s) and the Journal, a link to the license is provided, and any changes made are indicated.

4. Author Warranties

The Author represents and warrants that:

- The manuscript is original and does not infringe any copyright, patent, trademark, or other proprietary rights.
- The manuscript has not been previously published, except as disclosed to the Journal.
- All authors have made a significant contribution to the work and have approved the final manuscript.
- Necessary permissions have been obtained for any copyrighted material included in the manuscript.
- The manuscript contains no unlawful, defamatory, or fraudulent content.

5. Third-Party Material

Any third-party material included in the article remains subject to its respective copyright and licensing conditions. The Author is responsible for obtaining any necessary permissions before publication.

6. Author Rights

The Author retains the right to:

- Share and distribute the published article;
- Deposit the published version in institutional or subject repositories;
- Use the article for teaching, research, and scholarly purposes;
- Reuse figures, tables, and content in future works with appropriate citation.

7. Retraction and Corrections

The Journal reserves the right to issue corrections, expressions of concern, or retractions in accordance with its editorial policies and recognized publication ethics guidelines.

8. Governing Terms

This Agreement shall be governed by the editorial policies of the Journal and the terms of the Creative Commons Attribution 4.0 International License.

Author Declaration

I, the undersigned corresponding author, confirm that I am authorized to act on behalf of all co-authors and agree to the terms of this Publication Licensing Agreement.
